The Annual Publication

of

CLAY HIGH SCHOOL

Toledo, Ohio

Foreword

The members of the staff present the twenty-first edition of the "Crystal" to the students and faculty of Clay High School.

This edition is dedicated to the Silver Anniversary of our school.

We wish to express our appreciation to our worthy advisor, Miss Lois Bickelhaupt, for her invaluable guidance in the preparation of this annual.

JAMES O'BRIEN

Dedication

We, the members of the Crystal Staff, take great pleasure in dedicating this 1951 *Crystal* to our new but very able principal, James F. O'Brien.

We, who were lucky enough to be under his authority in grammar school, know what a loyal friend and able administrator he is.

His has been a steady upward climb until we, as members of the Clay High student body, can say we are very fortunate in having this young executive as our leader now, and we hope for many years to come.

It is with this dedication that we wish Mr. O'Brien all the "Luck O' the Irish."

Junior Class History

In September, 1948, Clay High opened its doors to a lively group of enthusiastic juniors. These were the first graduates of Clay Elementary, Jerusalem Township, Wynn, and Coy Schools—the embryo class of '52. "To study or not to study" was not the question then, but later on in the year they found that their homeroom teachers, Miss Bickelhaupt, Mr. Needles, Mr. Schaller, and Miss Fulton, were united in their determination to educate all of them. This was quite a blow but most of them survived and went on to enter their second year. Class officers for the year were Tom Winkle, President, Don Haack, Vice President, Jeanette Hall, Secretary, and Ray Luck, Treasurer. Representatives to the Student Council were Tom Glick, Ray Winterhalter, Charles Thomas, and Mary Schnee.

Sophomores know that they "belong." The members of the class found their place in the various activities of the school. Under the united efforts of our school officers—Tom Winkle, President; Martha Breese, Vice President; Jeanette Martin, Secretary; and Ray Cedoz, Treasurer—we participated in many a school project and by selling tax stamps were greatly able to balance the budget. Home room teachers in our sophomore class were Mr. McCabe, Mrs. Campbell, Miss Jones, and Mr. Fry. Members of the Student Council were Tom Glick, Martha Breese, Ray Cedoz, Neil Nelson, Tom Winkle, and Ray Winterhalter.

Junior Class History

Looking back now on our third year we find it crowded with many events, social and educational. In November, we gave our class play and the traditional Junior-Senior Prom in April. We Juniors also did our part in raising money for what is to be the biggest and best scoreboard in the G. N. C. Our class officers this year were Tom Winkle, President, Ray Cedoz, Vice-President; Jeanette Hall, Secretary, and Bill Moran, Treasurer. Representing us in the Student Council were Charles Tank, Gilberta Hofbauer, Jeanette Martin, Ray Cedoz, Tom Gladieux, and Tom Winkle.

One year away from graduation we would ordinarily be thinking about our future job or education. Times have changed since we were freshmen and Uncle Sam has new ideas for many of us. When the time comes for us to help, let us hope the Class of '52 will not be found wanting!

Freshman Class History

On the fifth day of September, 146 freshmen entered a new and strange world, Clay High School. We had the same troubles and were laughed at just as every freshman class in history. But before we knew what had happened the terrified look had left our eyes and we were walking down the halls with a big grin on our faces. We had just realized that we were a big part of this "new world."

Our officers were: President, Ronald Nusbaum; Vice-President, Eleanor Weichmann; Secretary, Carol Rideout; Treasurer, Drusilla Rossler. Our executive council consisted of the officers plus Jim Brown, Mary Ann DeCant, Jake Huss, Blair Jones, Fred Kachmark, Bob Lamb, Barbara Rousser, Marilyn Singer, and Fred Wiercyc. The members elected to Student Council were Dick Mitchell, George Russ, Jean Schenk, Clayton Sierman, Ray St. John, and Eleanor Weichmann. Miss Baker kept was our advisor. Her assistants were Mr. Coontz, Mr. Hepler, Mr. Huyck, Miss Jones, and Miss Schwalbe.

Mr. Morse

This year the Student Council functioned greatly in helping the faculty supervise extra curricular activities.

They sponsored the noon recreation program, many excellent and worthwhile assemblies, fine pep meetings, set up an efficient hall monitor system, ran the lost and found department, and sold ice cream during the noon hour to make up the Crystal deficit.

This year the Council began raising funds for a football scoreboard by selling candy and by starting "The Dollar Club."

On the social side the Council sponsored many fine dances. Also, following in the footsteps of last year, they participated in the Area Student Council meetings which were held monthly.

This year our school paper got off to a flying start with a new advisor. Again this year the paper was helped by the Student Council in the financial department, but we are proud to say that we were self-supporting. The paper this year set up a definite staff which was open to any member of the student body. We hope you all found just a little fun either working on the staff or in reading what the staff wrote.

The only project which the paper sponsored was the Toledo Blade Clinic. At these clinics the members who attended were given regular press cards.

The staff met every other Thursday for the purpose of receiving assignments and discussing improvements for the next issue.

A few members have taught a full day in the absence of a certified teacher, and others have assisted the librarians. Other activities such as a Christmas party, dedicating the figurine of Miss Fassett which the 1949-50 group sponsored, and discussions on college and professional ethics have made a complete year.

Band

Even though the number of players has decreased, the band had a very successful year. The purchase of a new bass horn and new music greatly deflated the none-too-large band fund so we raised money by various concerts. Besides those, we gave our customary concerts at Clay High and Clay, Wynn, Jerusalem, and Coy Elementary Schools. We marched in all the football games except the Genoa game, the Lucas County Fair, and in the Armistice Day Parade. We went to Bowling Green to see and hear the United States Marine Band and to Sylvania to see and hear the Bowling Green University Orchestra.

The activities of the Glee Club consist of concerts in schools, churches, and for various other organizations. Each year during the Christmas Yuletide Season we sing Christmas Carols at orphanages, hospitals and surrounding schools.

There are two main events of the year. First is the annual Spring Jamboree, which is a musical production given by this group. Second, is the Great Northern Festival where all a cappella choirs in the surrounding area schools perform. They are judged and rated by a guest conductor. This year Mr. Meynard Kline from the University of Michigan was the guest conductor.

We also participated in the combined Easter program at the Paramount Theater, which is sponsored by the Toledo Council of Churches.

The meetings of the G.A.A. are held the first and third Wednesday of each month. At these meetings we play the following: indoor, speedball, basketball, volleyball, and we also bowl.

The main money making project of this club is selling pencils which have the football schedule on and our initials G.A.A. We also sponsor dances after the basketball games. With the money that we make from these projects we buy something for the Physical Education Department.

This year instead of having our annual initiation we started an annual recognition service which we hope the G.A.A. girls of the future will follow.

Our loyal G.A.A. girls can be identified by the G.A.A. pins which most of them have purchased.

The main event of the year is our annual Spring Banquet, in honor of the Seniors. At this banquet, a trophy is given to the girl best suited as Miss G.A.A. of the year.
